**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I run a non-profit organization that requires tight budget management and purposeful oversight to make sure we are able to meet our mission. We are connected with the local fiber optic network and have used a competitive provider for the past 21 years. Our organization opposes the US Telecom Petition and supports the local business that has served us so well over the years.
